

Carols Country

0468 625 137 • carolscountry@gmail.com

Carols Country is located approx 15 min from the **Industry Pathways training facility** at Dinmore and set in a semi-rural/residential area in Thagoona on 3 acres. At the rear of the house there is large deck area with music facilities or if you prefer you can just sit and listen to nature at its best while enjoying a relaxing drink.

The house is positioned to take advantage of the beautiful breezes naturally cooling the house. Lining the floors throughout is polished timber with a Rosewood timber country style kitchen.

Carols Country can provide transport to and from your **Industry Pathways training facility** at Dinmore.

During your stay at **Carols Country** 3 meals a day are provided. Lunch is made and packed for you to take to your training so you don't have to worry about finding a shop in unfamiliar territory. No worries and no stress so you can focus on your training.

Facilities and services:

- **3 meals included daily** (Please advise of any special dietary requirements when booking to ensure your requests can be catered for)
- **4 rooms available**
- **Transport to and from Industry Pathways training facility can be provided for a small additional cost. If you require this service please enquire when booking.**
- **On-site recreational area**
- **In partnership with Airport West Transfers**

For bookings and further information contact Carol anytime.
